 6. Government Memo.No.12955/CE.II-1/2005, dated:17.01.2006

ORDER:

The redeployment of surplus teaching staff in Private aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Commissioner of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant-in-aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staffs have also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant-in-aid to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Government / Private Aided Degree Colleges in the State.

The Government prescribed the minimum economic strength to Private Aided Rural / Urban Colleges vide the reference second read above. Based on the audit reports of the Department regarding the students strength and workload position, the teaching staff requirement was reviewed with the correspondents / Principals of Private Aided Colleges regularly and surplus lecturers were identified.

Contd..2..

// 2 //

Subsequently, through the references third to sixth read above, the Government have provided guidelines and accorded permission for the redeployment of the surplus teaching staff of Aided colleges, exempting from the condition at para - 3 (b) of G.O.Rt.No.890 Education (CE.II) Department, dated:02.08.1996 and to shift the surplus teaching staff to needy colleges having sanctioned posts and requisite workload.

Keeping in view the uneconomic strength in certain courses/Sections/groups, as the case may be, and consequent on decrease in the workload in the subject concerned due to decrease in the student enrolment, certain lecturers working in the department/subject of Private Aided colleges were found surplus. The identifies surplus staff of Private Aided Colleges are now redeployed to needy Government / Private Aided Colleges to work temporarily.

In view of the circumstances explained above, the Commissioner of Collegiate Education has decided to redeploy the following surplus lecturer of Private Aided College to needy Government / Private Aided College as detailed below:-

Sri G. Kishore Lecturer in Chemistry CSR Sarma College, Ongole Prakasam Dist., is posted to Govt Degree College Kanoukur Prakasam Dist., under orders of Redeployment.

- i. The correspondents of the Aided Colleges concerned are requested to relieve the redeployed lecturers before 01.06.2007 to enable them to join duty in the college to which they are redeployed. The redeployed lecturer is informed to report at the new place allotted to him / her immediately after due relief from the present college. They are not eligible for any TTA/Joining time etc., as these orders are issued on their redeployment.
- ii. If the Management do not relieve the lecturer who is now under orders of redeployment, the Grant-in-aid for that post shall be withheld immediately and the Management has to pay salary of the incumbent from their own finances.
- iii. The surplus lecturer identified and re-deployed as above, shall be brought back to their parent college, if there is increase in the students' strength and workload in the subject and needed in the subsequent years, on receipt of a report from the parent college and after a review by the Department.

Contd..3..

// 3 //

- iv. The Redeployment of the surplus lecturer is a temporary measure and he cannot claim any right for absorption, Seniority and other benefits etc., in the new place of posting either now or in future.
- v. The surplus lecturers shall draw their salaries at their new station as the Grant-in-aid towards their salaries will be released to the D.D.O.i.e. the Principal of the Government Degree College to which he/she is posted basing on the last Pay certificate issued from the parent college.
- vi. The Principal / Correspondent of Government / Private Aided College is informed to draw of the salary of the lecturer from the provision of Grant-in-aid released separately.
- vii. The dates of relief and joining duty of the redeployed lecturers shall be reported to the Commissioner of Collegiate Education / Regional Joint Director of Collegiate Education / Principals of the Identified Government Colleges of the districts promptly.

The receipt of the Proceedings shall be acknowledged by return of post

dated:17.01.2006

ORDER:

The redeployment of surplus teaching staff in Private aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Commissioner of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant-in-aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staffs have also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant-in-aid to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Government / Private Aided Degree Colleges in the State.

The Government prescribed the minimum economic strength to Private Aided Rural / Urban Colleges vide the reference second read above. Based on the audit reports of the Department regarding the students strength and workload position, the teaching staff requirement was reviewed with the respondents / Principals of Private Aided Colleges regularly and surplus lecturers were identified.

Contd..2..

// 2 //

Subsequently, through the references third to sixth read above, the Government have provided guidelines and accorded permission for the redeployment of the surplus teaching staff of Aided colleges, exempting from the condition at para - 3 (b) of G.O.Rt.No.890 Education (CE.II) Department, dated:02.08.1996 and to shift the surplus teaching staff to needy colleges having sanctioned posts and requisite workload.

Keeping in view the uneconomic strength in certain courses/Sections/groups, as the case may be, and consequent on decrease in the workload in the subject concerned due to decrease in the student enrolment, certain lecturers working in the department/subject of Private Aided colleges were found surplus. The identifies surplus staff of Private Aided Colleges are now redeployed to needy Government / Private Aided Colleges to work temporarily.

In view of the circumstances explained above, the Commissioner of Collegiate Education has decided to redeploy the following surplus lecturer of Private Aided College to needy Government / Private Aided College as detailed below:-

Sri G. Kishore Lecturer in Chemistry CSR Sarma College, Ongole Prakasam Dist., is posted to Govt Degree College Kanoukur Prakasam Dist., under orders of Redeployment.

- i. The correspondents of the Aided Colleges concerned are requested to relieve the redeployed lecturers before 01.06.2007 to enable them to join duty in the college to which they are redeployed. The redeployed lecturer is informed to report at the new place allotted to him / her immediately after due relief from the present college. They are not eligible for any TTA/Joining time etc., as these orders are issued on their redeployment.
- ii. If the Management do not relieve the lecturer who is now under orders of redeployment, the Grant-in-aid for that post shall be withheld immediately and the Management has to pay salary of the incumbent from their own finances.
- iii. The surplus lecturer identified and re-deployed as above, shall be brought back to their parent college, if there is increase in the students' strength and workload in the subject and needed in the subsequent years, on receipt of a report from the parent college and after a review by the Department.

Contd..3..

// 3 //

- iv. The Redeployment of the surplus lecturer is a temporary measure and he cannot claim any right for absorption, Seniority and other benefits etc., in the new place of posting either now or in future.
- v. The surplus lecturers shall draw their salaries at their new station as the Grant-in-aid towards their salaries will be released to the D.D.O.i.e. the Principal of the Government Degree College to which he/she is posted basing on the last Pay certificate issued from the parent college.
- vi. The Principal / Correspondent of Government / Private Aided College is informed to draw of the salary of the lecturer from the provision of Grant-in-aid released separately.
- vii. The dates of relief and joining duty of the redeployed lecturers shall be reported to the Commissioner of Collegiate Education / Regional Joint Director of Collegiate Education / Principals of the Identified Government Colleges of the districts promptly.

The receipt of the Proceedings shall be acknowledged by return of post

ORDER:-

In the reference 1st read above, Government have issued orders relaxing ban on transfers from 25.04.2017 to 24.05.2017 and framed certain guidelines for effecting transfer of Government employees. In the reference 2nd read above, while communicating the G.O, certain instructions were issued to all the Government Degree Colleges in the State facilitating the employees to submit request transfer applications. In the reference 4th read above, Government have clarified that the employees who have completed 3 years of continuous service at a station but less than 5 years of service are eligible to apply for transfer only if they fulfill any of the five conditions laid down therein (such as medical and spousal grounds etc).

The video counselling was held on 22.05.2017 to consider and effect the transfers as per the options exercised by the employees. Accordingly, many of the employees are transferred to the places of their choice. However, some of the employees could not be accommodated at their place of choices as there are no vacancies and in such cases they are posted to the colleges where there are vacancies. Further, individuals who have completed more than 5 years of service at a station but have not exercised their option though online and are disturbed due to posting of another individual, are posted to needy Government Degree Colleges on administrative grounds.

In the light of the video counselling and on examination of all the cases with reference to G.O.1st and 4th read above, the transfers and postings are ordered in APCES as shown in the ANNEXURE - I with immediate effect.

The details of transfers considered at request or on spousal grounds or on administrative grounds are mentioned against their names respectively. The individuals who are transferred at request are not entitled for any T.T.A and joining time etc., as the postings are ordered at their request. The employees who are transferred on administrative grounds or posted to other than the place of their choices are eligible for TTA & joining time etc.

 6. Government Memo.No.12955/CE.II-1/2005, dated:17.01.2006

ORDER:

The redeployment of surplus teaching staff in Private aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Commissioner of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant-in-aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staffs have also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant-in-aid to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Government / Private Aided Degree Colleges in the State.

The Government prescribed the minimum economic strength to Private Aided Rural / Urban Colleges vide the reference second read above. Based on the audit reports of the Department regarding the students strength and workload position, the teaching staff requirement was reviewed with the correspondents / Principals of Private Aided Colleges regularly and surplus lecturers were identified.

Contd..2..

// 2 //

Subsequently, through the references third to sixth read above, the Government have provided guidelines and accorded permission for the redeployment of the surplus teaching staff of Aided colleges, exempting from the condition at para - 3 (b) of G.O.Rt.No.890 Education (CE.II) Department, dated:02.08.1996 and to shift the surplus teaching staff to needy colleges having sanctioned posts and requisite workload.

Keeping in view the uneconomic strength in certain courses/Sections/groups, as the case may be, and consequent on decrease in the workload in the subject concerned due to decrease in the student enrolment, certain lecturers working in the department/subject of Private Aided colleges were found surplus. The identifies surplus staff of Private Aided Colleges are now redeployed to needy Government / Private Aided Colleges to work temporarily.

In view of the circumstances explained above, the Commissioner of Collegiate Education has decided to redeploy the following surplus lecturer of Private Aided College to needy Government / Private Aided College as detailed below:-

Sri G. Kishore Lecturer in Chemistry CSR Sarma College, Ongole Prakasam Dist., is posted to Govt Degree College Kanoukur Prakasam Dist., under orders of Redeployment.

- i. The correspondents of the Aided Colleges concerned are requested to relieve the redeployed lecturers before 01.06.2007 to enable them to join duty in the college to which they are redeployed. The redeployed lecturer is informed to report at the new place allotted to him / her immediately after due relief from the present college. They are not eligible for any TTA/Joining time etc., as these orders are issued on their redeployment.
- ii. If the Management do not relieve the lecturer who is now under orders of redeployment, the Grant-in-aid for that post shall be withheld immediately and the Management has to pay salary of the incumbent from their own finances.
- iii. The surplus lecturer identified and re-deployed as above, shall be brought back to their parent college, if there is increase in the students' strength and workload in the subject and needed in the subsequent years, on receipt of a report from the parent college and after a review by the Department.

Contd..3..

// 3 //

- iv. The Redeployment of the surplus lecturer is a temporary measure and he cannot claim any right for absorption, Seniority and other benefits etc., in the new place of posting either now or in future.
- v. The surplus lecturers shall draw their salaries at their new station as the Grant-in-aid towards their salaries will be released to the D.D.O.i.e. the Principal of the Government Degree College to which he/she is posted basing on the last Pay certificate issued from the parent college.
- vi. The Principal / Correspondent of Government / Private Aided College is informed to draw of the salary of the lecturer from the provision of Grant-in-aid released separately.
- vii. The dates of relief and joining duty of the redeployed lecturers shall be reported to the Commissioner of Collegiate Education / Regional Joint Director of Collegiate Education / Principals of the Identified Government Colleges of the districts promptly.

The receipt of the Proceedings shall be acknowledged by return of post

 6. Government Memo.No.12955/CE.II-1/2005, dated:17.01.2006

ORDER:

The redeployment of surplus teaching staff in Private aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Commissioner of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant-in-aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staffs have also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant-in-aid to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Government / Private Aided Degree Colleges in the State.

The Government prescribed the minimum economic strength to Private Aided Rural / Urban Colleges vide the reference second read above. Based on the audit reports of the Department regarding the students strength and workload position, the teaching staff requirement was reviewed with the respondents / Principals of Private Aided Colleges regularly and surplus lecturers were identified.

Contd..2..

// 2 //

Subsequently, through the references third to sixth read above, the Government have provided guidelines and accorded permission for the redeployment of the surplus teaching staff of Aided colleges, exempting from the condition at para - 3 (b) of G.O.Rt.No.890 Education (CE.II) Department, dated:02.08.1996 and to shift the surplus teaching staff to needy colleges having sanctioned posts and requisite workload.

Keeping in view the uneconomic strength in certain courses/Sections/groups, as the case may be, and consequent on decrease in the workload in the subject concerned due to decrease in the student enrolment, certain lecturers working in the department/subject of Private Aided colleges were found surplus. The identifies surplus staff of Private Aided Colleges are now redeployed to needy Government / Private Aided Colleges to work temporarily.

In view of the circumstances explained above, the Commissioner of Collegiate Education has decided to redeploy the following surplus lecturer of Private Aided College to needy Government / Private Aided College as detailed below:-

Sri G. Kishore Lecturer in Chemistry CSR Sarma College, Ongole Prakasam Dist., is posted to Govt Degree College Kanoukur Prakasam Dist., under orders of Redeployment.

- i. The correspondents of the Aided Colleges concerned are requested to relieve the redeployed lecturers before 01.06.2007 to enable them to join duty in the college to which they are redeployed. The redeployed lecturer is informed to report at the new place allotted to him / her immediately after due relief from the present college. They are not eligible for any TTA/Joining time etc., as these orders are issued on their redeployment.
- ii. If the Management do not relieve the lecturer who is now under orders of redeployment, the Grant-in-aid for that post shall be withheld immediately and the Management has to pay salary of the incumbent from their own finances.
- iii. The surplus lecturer identified and re-deployed as above, shall be brought back to their parent college, if there is increase in the students' strength and workload in the subject and needed in the subsequent years, on receipt of a report from the parent college and after a review by the Department.

Contd..3..

// 3 //

- iv. The Redeployment of the surplus lecturer is a temporary measure and he cannot claim any right for absorption, Seniority and other benefits etc., in the new place of posting either now or in future.
- v. The surplus lecturers shall draw their salaries at their new station as the Grant-in-aid towards their salaries will be released to the D.D.O.i.e. the Principal of the Government Degree College to which he/she is posted basing on the last Pay certificate issued from the parent college.
- vi. The Principal / Correspondent of Government / Private Aided College is informed to draw of the salary of the lecturer from the provision of Grant-in-aid released separately.
- vii. The dates of relief and joining duty of the redeployed lecturers shall be reported to the Commissioner of Collegiate Education / Regional Joint Director of Collegiate Education / Principals of the Identified Government Colleges of the districts promptly.

 6. Government Memo.No.12955/CE.II-1/2005, dated:17.01.2006

ORDER:

The redeployment of surplus teaching staff in Private aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Commissioner of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant-in-aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staffs have also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant-in-aid to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Government / Private Aided Degree Colleges in the State.

The Government prescribed the minimum economic strength to Private Aided Rural / Urban Colleges vide the reference second read above. Based on the audit reports of the Department regarding the students strength and workload position, the teaching staff requirement was reviewed with the respondents / Principals of Private Aided Colleges regularly and surplus lecturers were identified.

Contd..2..

// 2 //

Subsequently, through the references third to sixth read above, the Government have provided guidelines and accorded permission for the redeployment of the surplus teaching staff of Aided colleges, exempting from the condition at para - 3 (b) of G.O.Rt.No.890 Education (CE.II) Department, dated:02.08.1996 and to shift the surplus teaching staff to needy colleges having sanctioned posts and requisite workload.

Keeping in view the uneconomic strength in certain courses/Sections/groups, as the case may be, and consequent on decrease in the workload in the subject concerned due to decrease in the student enrolment, certain lecturers working in the department/subject of Private Aided colleges were found surplus. The identifies surplus staff of Private Aided Colleges are now redeployed to needy Government / Private Aided Colleges to work temporarily.

In view of the circumstances explained above, the Commissioner of Collegiate Education has decided to redeploy the following surplus lecturer of Private Aided College to needy Government / Private Aided College as detailed below:-

Sri G. Kishore Lecturer in Chemistry CSR Sarma College, Ongole Prakasam Dist., is posted to Govt Degree College Kanoukur Prakasam Dist., under orders of Redeployment.

- i. The correspondents of the Aided Colleges concerned are requested to relieve the redeployed lecturers before 01.06.2007 to enable them to join duty in the college to which they are redeployed. The redeployed lecturer is informed to report at the new place allotted to him / her immediately after due relief from the present college. They are not eligible for any TTA/Joining time etc., as these orders are issued on their redeployment.
- ii. If the Management do not relieve the lecturer who is now under orders of redeployment, the Grant-in-aid for that post shall be withheld immediately and the Management has to pay salary of the incumbent from their own finances.
- iii. The surplus lecturer identified and re-deployed as above, shall be brought back to their parent college, if there is increase in the students' strength and workload in the subject and needed in the subsequent years, on receipt of a report from the parent college and after a review by the Department.

Contd..3..

// 3 //

- iv. The Redeployment of the surplus lecturer is a temporary measure and he cannot claim any right for absorption, Seniority and other benefits etc., in the new place of posting either now or in future.
- v. The surplus lecturers shall draw their salaries at their new station as the Grant-in-aid towards their salaries will be released to the D.D.O.i.e. the Principal of the Government Degree College to which he/she is posted basing on the last Pay certificate issued from the parent college.
- vi. The Principal / Correspondent of Government / Private Aided College is informed to draw of the salary of the lecturer from the provision of Grant-in-aid released separately.
- vii. The dates of relief and joining duty of the redeployed lecturers shall be reported to the Commissioner of Collegiate Education / Regional Joint Director of Collegiate Education / Principals of the Identified Government Colleges of the districts promptly.

The receipt of the Proceedings shall be acknowledged by return of post
