

## 2.4.2 Teaching Profile and Quality

In the DVV the Faculty with NET/SLET/SET were only considered leaving behind the doctorates for all the years from 2017-18 to 2021-22.

In the DVV clarification also, the college has produced the certificates giving the list of doctorates and those with NET/SLET/SET with evidences. But the DVV team has ignored the No. of Doctorates in all the academic years from 2017-18 to 2021-22. So, the % of faculty with qualifications was calculated as 29.93%, which gave a score of ZERO as per the bench mark. Actually we are supposed to get nearly 80%, if the Faculty with Doctorates are considered along with the Faculty having NET/SLET/SET, which gives a score of 4. Prior to the PTV we have informed the same to the NAAC authorities through our portal. But, it was not considered as the pre qualifier stage was completed.

We expect an increase of 100 marks in the metric if the actual no of faculty qualified are considered. Hence, we request you to look into it positively.
