FIELD TRIP-2019-20
DEVI SEA FOODS, SINGARAYAKONDA, PRAKASAM (DT)

Devi Sea Foods LTD is located in Singarayakonda village of Prakasam district. Devi Sea Foods is a leading supplier of shrimp from India to large reputable customers in the food service and retail industries, with over 25 years of experience in shrimp processing and export. Devi, based in the state of Andhra Pradesh and near key shrimp farming centers, has developed and utilized competencies throughout the years, specializing in farm-raised Black Tiger and White shrimp.

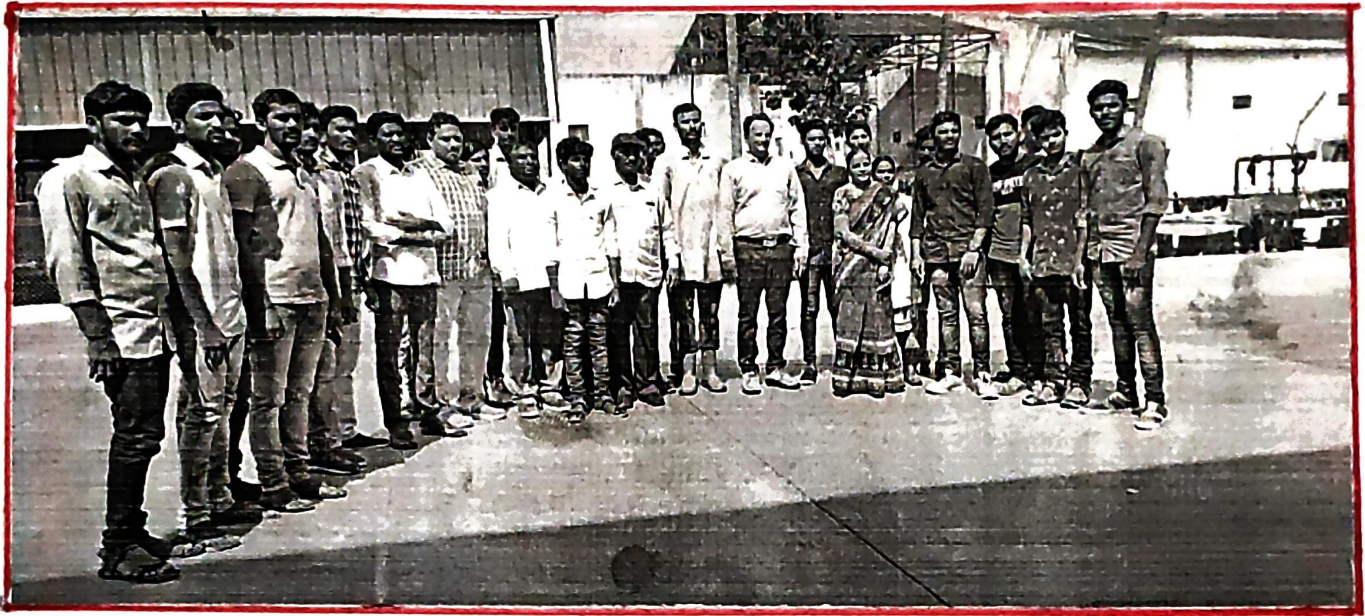

Devi Sea Foods has expanded its activities and built a fully integrated supply chain network that includes shrimp processing factories, farms, feed mills, and a hatchery. Devi Sea Foods has bolstered its production capabilities by establishing a marketing and distribution subsidiary in the United States, bringing the company closer to its clients.

In view of its reputation we, department of chemistry with the encouragement of the principal planned a field trip to Devi Sea Foods Ltd, singarayakonda on 15/2/2020. We along with our science students went for field trip with prior permission from the industry officials. The students learned the process of getting prawns from the ponds till their packing. There is an analytical lab where the product was analysed by UV Spectrophotometer and water analysis laboratory. There are job opportunities for BSc (chemistry) degree holders. They provided lunch for us. We were grateful for their hospitality.
